Denise Farber has just moved back to New Orleans with her mom and step-dad. They left in the wake of Hurricane Katrina and have finally returned, wagering the last of their family's money on fixing up an old, rundown house and converting it to a bed and breakfast. Nothing seems to work around the place, which doesn't seem too weird to Denise. The unexplained noises are a little more out of the ordinary, but again, nothing too unusual. But when floors collapse, deadly objects rain down, and she hears creepy voices, it's clear to Denise that something more sinister lurks hidden here. Answers may lie in an old comic book Denise finds concealed in the attic: the lost, final project of a famous artist who disappeared in the 1950s. Denise isn't budging from her new home, so she must unravel the mystery—on the pages and off—if she and her family are to survive...

THE AGONY HOUSE by Cherie Priest , Tara O'Connor | Kirkus ... A white family's attempts to renovate a storm-wracked Victorian New Orleans house are complicated by bitterly contending ghosts. The resident spirits aren't particularly reticent either, readily manifesting not only to 17-year-old Denise and her newlywed mother and stepfather, but to visiting neighbors as well—as a whiff of perfume, creeping shadows, a falling ceiling, and other ominous portents. The Agony House (Hardcover) | Changing Hands Bookstore At its heart, though, this is a ghost story, and Priest excels at building palpable atmosphere: Denise's parents' anxiety about their shoestring budget, the sweltering New Orleans summer heat, the disrepair of the house ("soggy plaster fell from the studs like wet cake"), and the increasingly terrifying haunting.
